## SUMMARY

**Paige Madison Joseph** | Savannah College of Art & Design Graduate Bachelor of Fine Art in Interior Design with a minor focus in Architectural History. My design passion has also been centered around the emotional experience associated with interior spaces. In every project I undertake, it is always my goal to inspire a lasting emotional experience. My other design interest include sustainability and modern design. As well as creating a design experience that everyone deserves no matter the project type, location or budget. Design is about changing, expanding, exploring, and adapting the environment for the best user experience, not just beauty.

## EDUCATION

### Interior Design, BFA / 3.5/4

2017-2022  
Savannah College of Art and Design  
Savannah, GA

### General Diploma / 4/4

Graduated with Honors

2013-2017  
Haines City Senior High School  
Haines City, FL

## WORK EXPERIENCE

### Junior Interior Designer

Menlo Park, CA

#### Collov Home Design /

2019 - Present

Collov is interior design redefined. We are an online interior design platform and our mission is to make the interior décor process easy, affordable, and personal with the customer's life as our main source of creative inspiration.

- Work directly with clients developing mood-boards, FF&E, adjust renderings and assist senior designers. Along with those tasks comes working on revisions and uploading product list into our backend system

### Executive Assistant

2016 - Present

#### Concentric Global Consultants /

Orlando, FL

Concentric Global is a boutique management consulting group specializing in small business solutions.

- Data entry and file organization, work with consultants to manage schedules, direct client inquiries efficiently
