Spatial Designer | Narrative Environments | 3D Visualisation

I am an interior designer working at the intersection of spatial design and storytelling. With a foundation in residential and commercial interiors, I'm expanding into immersive environments and narrative-led public experiences. I design spaces that invite interaction, from virtual staging to multisensory exhibitions using rendering, research, and collaborative development to bring ideas to life across diverse formats.

SKILLS

Interpersonal:

- Written and Verbal Communication
- Time Management
- Project Management
- Customer Service
- Organization

- Microsoft Office Suite
- Revit
- Create & Manage FF&E
- Mood Boards
- Adobe Auditions
- Adobe Premier
- Canva

EDUCATION

Narrative Environments, MA

University Arts of London, CSM
2023-2025 London, UK

Interior Design, BFA

Savannah College of Art and Design
2017-2022 Savannah, GA

WORK EXPERIENCE *portfolio*

Co-Creator & Audio/Visual Editor – Spill the Tea: Hidden Histories on the Table

- **Central Saint Martins, MA Narrative Environments / London, UK June 2024**

Co-created a multisensory event exploring hidden histories through food, sound, and storytelling. Edited audio/video and refined scripts for Slow Blooming, honouring women's impact on tea culture at Kew Gardens. Collaborated across three teams to craft a cohesive sensory experience connecting Taiwan, Brick Lane, and Kew.

Research Internship

- **Theatrum Mundi London, UK /May 2024 - June 2024**

Academic work placement~ Conducted accessibility research for theatre and performance environments. I designed a reference toolkit for production teams to apply spatial inclusivity.

Senior Interior Designer

- **Collov Home Design, Menlo Park, CA /September 2020 - September 2023**

An online interior design platform mood-boards, FF&E, and adjust renderings and our mission is to make the interior and assist senior designers.

Contract Interior Designer

- **Remote via Hk, FL, GA/ September 2019 - present**

Rendered walkthroughs, Virtual staging, Mood boards, FF&E, provided in design packages.
